IN MEMORIAM

VEGAS EFFECT
NAME . IMAGE . LIKENESS

UNLV LAUNCHES *THE VEGAS EFFECT* NIL PROGRAM

UNLV Athletics announced the creation of The Vegas Effect, a three-part education-focused platform that provides Rebel student-athletes with the resources needed to understand and assist in the development of their Name, Image and Likeness (NIL) opportunities. The platform was developed in anticipation of the NCAA Division I Council approving legislation allowing for student-athletes to earn revenue from their name, image and likeness. As student-athletes will be permitted to capitalize on branding opportunities, an essential pillar of The Vegas Effect is its partnership with NOCAP Sports, which is an accessible and innovative platform that provides student-athletes with the tools that they need to build and enhance their personal brands, connect with the local Las Vegas marketplace and continue to be educated on what is permitted by NCAA, UNLV and state rules and regulations. The program also includes on-campus resources, including financial literacy training, tax preparation education, and career development services. Led by the UNLV Athletics Compliance Department, The Vegas Effect includes a multitude of educational and engagement opportunities. "Name, image, and likeness legislation will have an impactful presence within collegiate athletics," said UNLV Director of Athletics Desiree Reed-Francois. "As we strive to provide the best holistic student-athlete experience possible, The Vegas Effect provides great resources to help our 515 student-athletes navigate their new opportunities."

UNLV x RAIDERS

THIS IS THE MOUNTAIN WEST

The Mountain West was conceived on May 26, 1998, when the presidents of eight institutions — Air Force, BYU, Colorado State, New Mexico, San Diego State, UNLV, Utah and Wyoming — decided to form a new NCAA Division I intercollegiate athletic conference. The split from a former 16-team conference re-established continuity and stability among the membership within the new league and signaled the continuation of its tradition-rich, long-standing athletic rivalries. Three of the MW's eight original members have been conference rivals since the 1960s (New Mexico, Wyoming and Colorado State), while San Diego State (1978) and Air Force (1980) were longtime members as well. UNLV entered the fold in 1996 and the Rebels continued as one of the original eight institutions that formed the MW in 1999. With conference realignment sweeping the nation in recent years, the MW has been proactive in addressing membership changes. Boise State joined the Mountain West in 2011, followed by Fresno State and UNR in 2012. That's the same year that the University of Hawai'i became a football-only member of the Conference. On July 1, 2013, the Mountain West further expanded when San Jose State and Utah State joined, bringing to 11 the number of full-time member institutions and 12 football-playing members.

The Mountain West is noted for its geographic diversity. Some of the most beautiful terrain and landscapes in the nation can be found within Mountain West boundaries, including the majestic Rocky Mountain range, which borders five MW institutions (Air Force, Boise State, Colorado State, New Mexico and Utah State). The high plains of Wyoming (elevation 7,220 feet – the highest Division I campus in the nation) contrast with the desert cities of Las Vegas and Reno, home to UNLV and Nevada, Reno, respectively, while Fresno State, San Diego State and San Jose State add a West Coast influence with their locations in Central, Southern and Northern California. The inclusion of the Hawai'i football program extends the Mountain West footprint to the beautiful islands in the Pacific Ocean.

Mountain West members have participated in 106 bowl games under the league umbrella, including four appearances in BCS games and one CFP game. The MW has earned 86 postseason bids in men's basketball, with six Sweet 16 appearances as well as three NIT Final Four berths. MW women's basketball has tallied 82 postseason slots, including 39 NCAA bids, five Sweet 16 appearances and one Elite Eight berth since 2000. Wyoming took the MW's first WNIT championship in 2007 with a win over Wisconsin. In women's volleyball, the MW has had 45 NCAA bids with nine Sweet 16 berths and one Elite Eight appearance. The MW has produced 1,587 All-America selections among its 18 sponsored sports (men's swimming was discontinued as a Conference sport following the 2010-11 season) in the last 22 years. A total of 208 MW student-athletes have also earned Academic All-America accolades in that span. The Mountain West has sent at least 25 teams to NCAA postseason events in each of the past 22 years, capturing five team national championships and producing 51 individual national champions.

MOUNTAIN WEST FOOTBALL

Entering the 2021 season, the MW has agreements with nine different postseason opportunities (including a potential spot in the New Year's Six Bowl), six primary bowl positions with the new Jimmy Kimmel LA Bowl, Arizona Bowl, Famous Idaho Potato Bowl, New Mexico Bowl, SoFi Hawai'i Bowl, and an ESPN Events-operated bowl, likely in the DFW Metroplex, along with two secondary positions. An innovator in the postseason bowl structure, the MW engineered many "firsts," as league teams have participated in five inaugural bowl games as well as placing the first non-automatic-qualifying FBS team into a BCS bowl game with Utah's appearance in the 2005 Tostitos Fiesta Bowl and into the College Football Playoff (CFP) with Boise State's selection to the 2014 Tostitos Fiesta Bowl.

MW FOOTBALL IN THE POSTSEASON

In the Covid-altered 2020 season, three Mountain West teams accepted postseason bowl bids. The conference has earned 106 bowl bids since 1999 and holds a 58-47 all-time record in those contests. The MW has finished with a winning record in the postseason in eight of the last 15 years.

Over the last 17 seasons, the MW has captured the Bowl Challenge Cup four times and is one of just four conferences to win the trophy outright more than twice since the award's inception in 2002-03. The Bowl Challenge Cup was created by ESPN as a competition among the conferences in the FBS during the bowl season. In order to win the trophy, a conference must have the highest win percentage with a minimum of three teams participating in the postseason.

THE FREMONT CANNON

Trophy Helps Illustrate Importance of State Rivalry

Not simply a traveling trophy for the winner of the UNLV vs. UNR game, the Fremont Cannon is ever-present at the annual Battle for Nevada.

The tradition of awarding the cannon to the victors started more than five decades ago when the Rebels' first football coach, Bill Ireland, felt the young rivalry between the north and south schools could use a symbolic trophy to stimulate interest. The prize turned out to be a replica of the howitzer used by John C. Fremont, one of America's foremost trailblazers, as he headed west into Nevada in 1843. Legend has it that Fremont violated U.S. War Department rules by taking the cannon with him on his westward trek without permission and then abandoned the weapon in a Sierra-Nevada snowdrift.

Built by the Kennecott Copper Corp., Nevada Mines Division, the cannon was originally valued at more than $10,000 and is considered one of the best, and heaviest, symbols of rivalry in college football. The Fremont is one of only two cannon prizes in all rivalry games, along with Illinois vs. Purdue. In 2014, the cannon was named the best rivalry trophy in all of college football by Yahoo! Sports.

The Wolf Pack held the cannon first because they had beaten the Rebels 30-28 in the initial game of the series on Thanksgiving Day 1969. UNLV promptly won rights to the big gun in 1970 with a 42-30 home win and went on to dominate the series with eight wins in the next 11 games played. After UNR rebounded to win five straight games (1989-1993), UNLV regained the cannon in its Silver Anniversary Year in 1994. UNLV won two straight in the series after a dramatic come-from-behind 34-29 win at Sam Boyd Stadium in 2018 and a 33-30 thriller in Reno in 2019 that marked the coldest Cannon game and also the first to go to overtime. UNR still leads 27-19 in the all-time series, which has been continuous since 1987. The teams will meet again in Reno on Oct. 30, 2021, in what will be part of the annual Nevada Day Weekend festitivies.

NINTH ISLAND SHOWDOWN

Sponsored by the California Hotel

In 2017, the UNLV and Hawai'i football programs jointly introduced a new annual rivalry game -- the Ninth Island Showdown. Sponsored by the California Hotel, the winner of this annual Mountain West matchup now gets rights to the Island Showdown Trophy, which includes both a pineapple – a Vegas-style gold pineapple – and a variation of the Welcome to Fabulous Las Vegas sign.

Las Vegas has earned the nickname "The Ninth Island" for its long-standing popularity with Hawaiian visitors and transplants. UNLV won the inaugural game 31-23 in 2017 at Sam Boyd Stadium in Las Vegas. Hawai'i holds the trophy heading into 2021 after the Rainbow Warriors have won the last three installments, including last December in Honolulu.

The "Golden Pineapple" will be up for grabs again when the squads face off at Allegiant Stadium on November 13.

UNLV ALMA MATER

Alma Mater, we praise you
For spirit, the eternal flame,
Strength which never falters,
A tribute to your name
Alma Mater, we thank you,
Exalted Scarlet and Gray.
Truth and wisdom from your standard
In our minds and hearts will stay
Alma Mater, we cherish you.
And in our days that are yet to be,
Our voices let us ever raise
In honor, U-N-L-V.

UNLV FIGHT SONG

"WIN WITH THE REBELS"

Win with the Rebels a victory today!
Win with the Rebels, the Scarlet and Gray.
From mountains that surround
you to far across the sea.
We'll win with the Rebels of UNLV.
U-N-L-V UNLV Go, Fight, Win.
We'll win with the Rebels of UNLV.

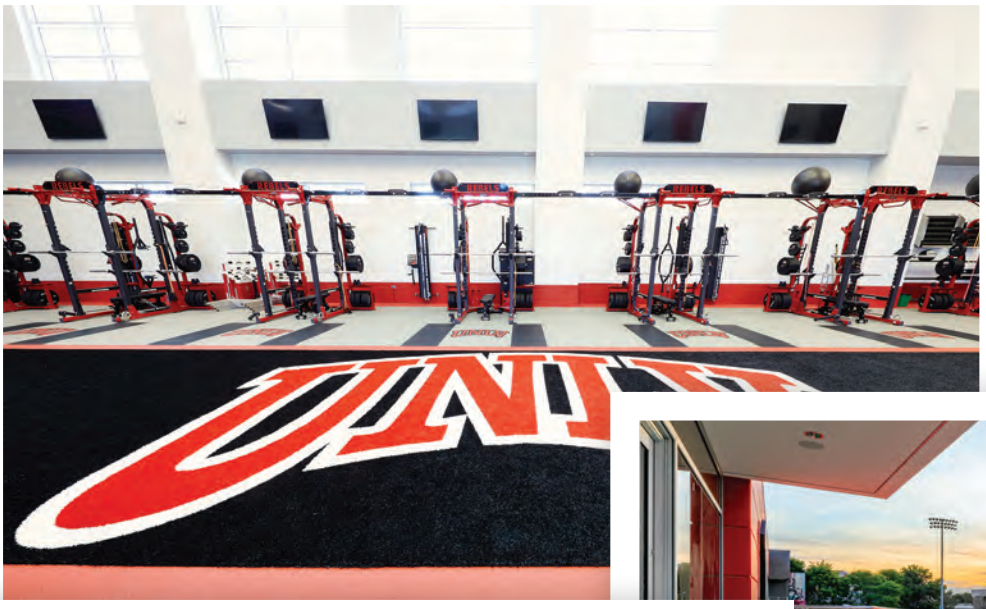
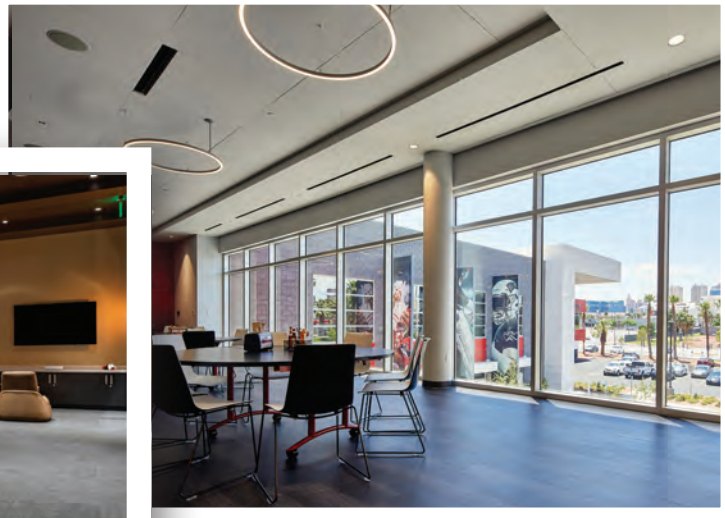
FERTITTA FOOTBALL COMPLEX

The Fertitta Football Complex, UNLV football's state-of-the-art training facility, opened in October 2019. On Sept. 13, 2016, the Fertitta Family pledged $10 million toward the construction of the training center, marking the largest single gift in UNLV athletics history.

The 73,000-square-foot, two-level complex is located on campus in the north end of the team's practice area and overlooks the Ernie Becker Sr. Football Fields at Bill "Wildcat" Morris Rebel Park. The Fertitta Football Complex serves as the day-to-day home of the program and includes an academic center, locker rooms, offices, meeting rooms, strength & conditioning center, media room, training table and nutrition bar, athletic training center, player lounge and a barber shop.



UNLV FERTITTA FOOTBALL COMPLEX

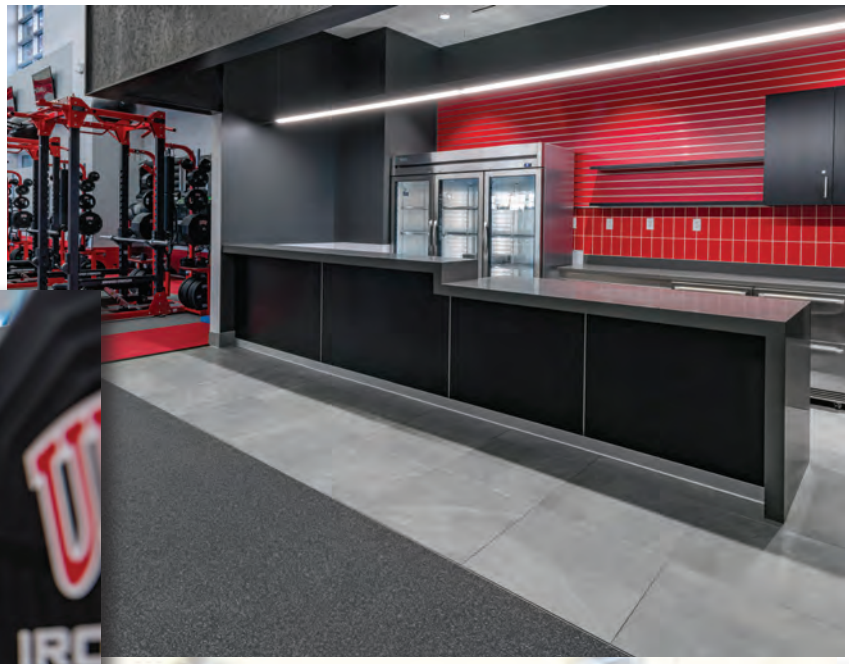


Power Behind The Program

In the fall of 2019 the Rebels moved to a state-of-the-art Strength Center in the stunning Fertitta Football Complex. The 10,000-square foot area, which includes offices for Director of Strength and Condition Matthew Fyle and his staff, exclusively serves the football program.

A well-appointed cardio station directly leads to the Ernie Becker Sr. Football Fields at Bill "Wildcat" Morris Rebel Park.

Complete with a nutrition bar, the center is also just steps away from a full-service training table with seating up to 120 on the second floor.



Rebels Wear Only The Best

Fertitta Football Complex Locker Room

Nike is the exclusive products supplier and sponsor of UNLV Athletics

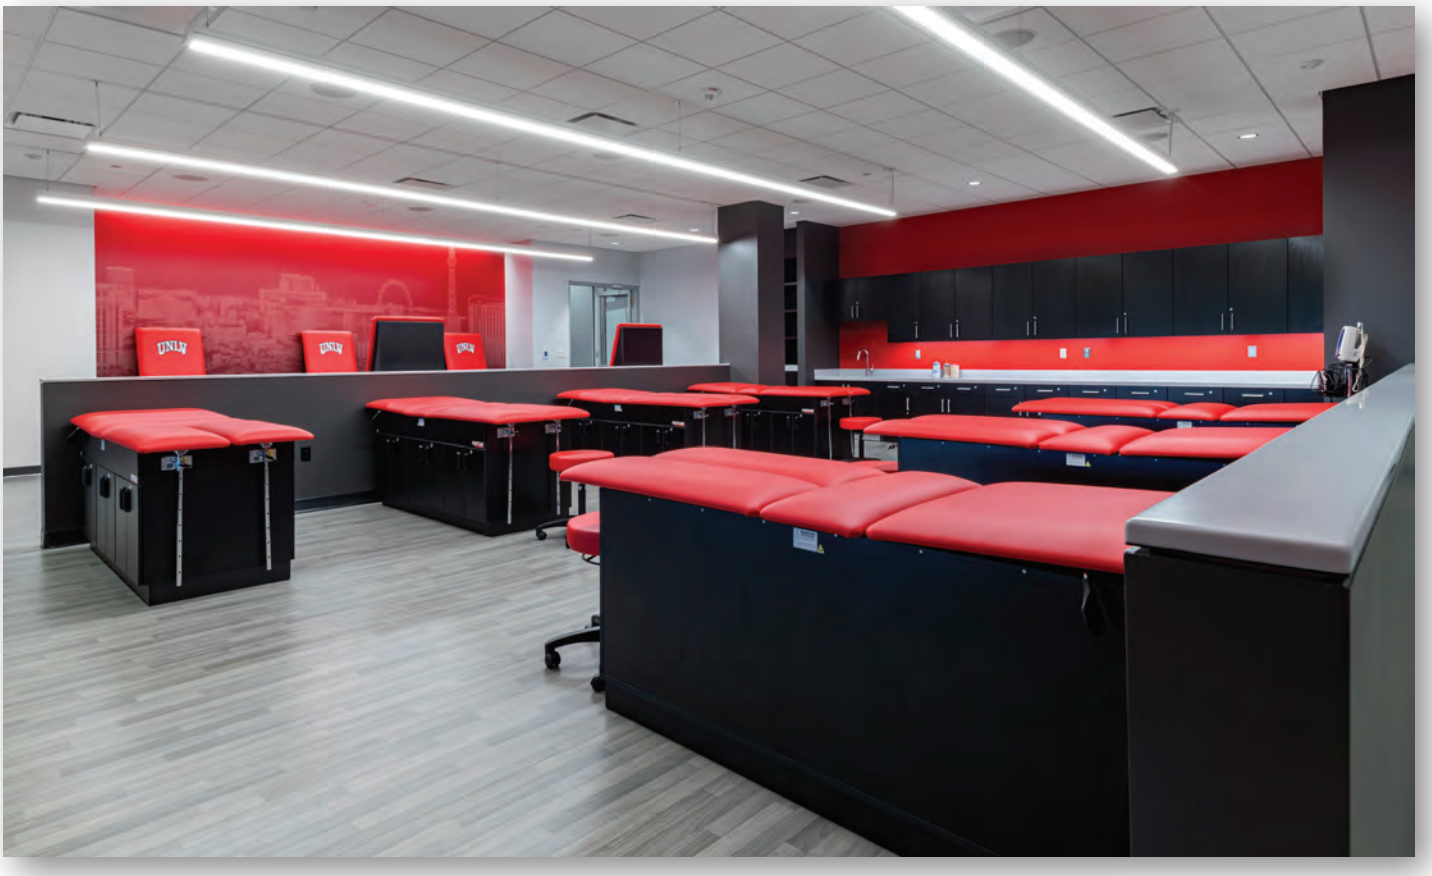
Head Coach Marcus Arroyo collaborated with Nike to create a new line of uniforms for the Rebels from head to toe.

The iconic UNLV arch, first introduced by legendary head coach John Robinson in 1999, remains but major changes included a move from silver helmets to instead featuring the darker anthracite color. In addition, a fourth color was introduced up top as the Rebels now sport a white helmet as part of their repertoire for the first time in a program that started in 1968.

Each jersey proudly displays REBELS in a custom font along the chest while the pants show off another, smaller UNLV arch opposite the famous Nike swoosh. Also, jersey numbers appear on each shoulder sleeve. Other features include both white and chrome face mask choices and a new, cherry-gloss Rebel Red helmet.

With four base-color helmets, three jerseys, multiple face masks and two sets of cleats, UNLV's new look includes hundreds of possible combinations for game day.

The Finest Care



In 2019, the football training staff relocated to a state-of-the-art Sports Medicine Center inside the $35 million Fertitta Football Complex.

Aside from staff offices, the largest area features stations to perform various treatments to student-athletes throughout the day.

A separate rehab room flanks the main center and features a hydrotherapy room that includes whirlpools and plunge tanks.

ACADEMICS

Another record-breaking year in the classroom for the Rebels as they posted their first-ever 3.0 cumulative GPA and a stunning 70 UNLV football players were named to the 2020 Academic All-Mountain West team. Academic advising for football has helped produce 297 such honorees since the school joined the Mountain West in 1999. In addition, 47 Rebel gridders last year earned spots on the UNLV Dean's Honor List, including a program-record 26 during the spring semester alone.

WILLIAMS EARNS HISTORIC ACADEMIC NOD

Running back Charles Williams made history this summer when he became the first-ever UNLV football player voted CoSIDA Academic All-America. The "Chuck Wagon," who earned his bachelor's degree in 2020 and is currently pursuing a master's, is a four-time Academic All-MW honoree who earlier joined former Rebel Casey Flair as the only back-to-back CoSIDA Academic All-District winners in program history. In July, Williams, who is the nation's leading running back in active yards gained on the FBS level, was one of four RBs announced as part of the 2020-21 national squad. He was the first Rebel in any sport to earn the CoSIDA national honor since 2016 and the 32nd UNLV student-athlete tabbed overall since 1978.

REBELS WITH A CAUSE

UNLV and its student-athletes are committed to success both on and off the fields of play. Rebel players have the opportunity to become more involved members of the Southern Nevada community. Through interaction with charitable organizations, local schools, hospitals and various youth events, the Rebels have become increasingly positive role models. Each year, the athletics department's effort in Nevada Reading Week translates into dozens of area schools being visited by nearly a 100 athletes, coaches and staff. The football program also takes part in the department's Rebels Give Back initiative that sees UNLV's coaches, staff and student-athletes spread thorughout the city to give involved with more than a dozen community partners.

UNLV BOASTS FOUR ALL-TIME COMMUNITY SERVICE ALL-AMERICANS

UNLV wide receiver **Casey Flair** was one of only 11 players in the nation named to the 2007 American Football Coaches Association (AFCA) Division I-A Good Works Team. The Alaska native became the fourth Rebel in six years selected to the prestigious collection of student-athletes that has been honored for its performance off the field since 1991. Former UNLV lineman **Tony Terrell** (Lawndale, CA) was the program's first-ever honoree in 2002 and two-time All-American safety **Jamaal Brimmer** (Las Vegas) earned the nod in 2004. Las Vegas native **Leon Moore** was honored in 2005. Nominated by their school's sports information directors and voted on by an AFCA committee, successful candidates must be heavily involved in working for charity and/or service to their community.

"We set out to find a leader and a teacher, with the competitive drive, the energy, the intellect and the caring to lead our young men to success on the field, in the classroom and in their futures," said UNLV Director of Athletics Desiree Reed-Francois. "Marcus knows the West and is one of the country's best recruiters."

Case in point: on Feb. 5, 2020, Arroyo announced his first UNLV recruiting class and the impressive group set multiple program records, including earning the No. 1 ranking in the Mountain West by Rivals and No. 2 by 247Sports. One year later, the 2021 class turned heads nationally, ranking eighth among all Group of 5 schools. Its standing of 67th overall was a stunning 36 spots higher than the average ranking for UNLV's classes in the decade previous to Arroyo's arrival on campus (averaged 103rd from 2010-19). In addition, the Class of 2021's average 247Sports per-player rating of .8324 shattered Year One's school-record mark of .8145. This also marked the first time since the introduction of the recruiting rankings that the Rebels finished in the top two of the Mountain West in consecutive years.

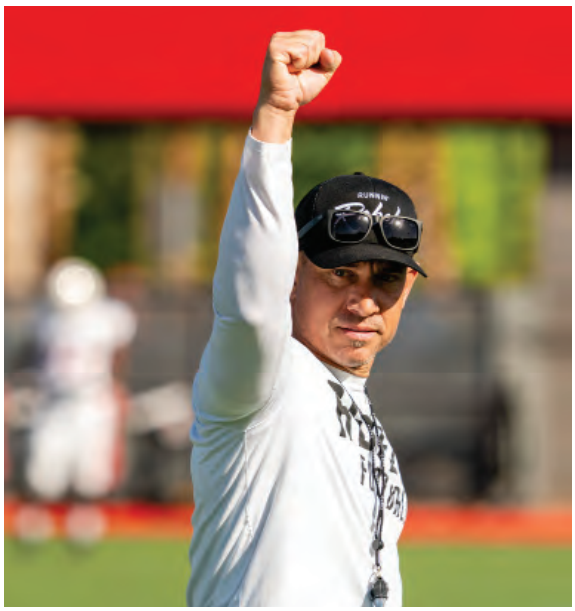
"Here we go," said Arroyo at his introductory press conference. "This is amazing. I'm so fired up and have been preparing for this job my whole life. The fact that I get to do it here with UNLV during this unique time in this community, is amazing.

"Rebel Nation – we're going to win. We'll recruit at a really high level. The goal is to compete for championships. We'll block out the naysayers together as fans and city and administration and build a winner – a winner that will last."

Arroyo, who turned 41 in January, took over the Rebels after most recently serving as assistant head coach and offensive coordinator at the University of Oregon. Behind his play-calling, the Ducks won 2019 Pac-12 Conference Championship and then defeated Wisconsin in the Rose Bowl, which marked the eighth bowl game of Arroyo's career. During his time in Eugene, the Ducks went 28-12 overall, including winning 15 of their last 17 outings.

Arroyo was instrumental in the development of quarterback Justin Herbert, the MVP of the Rose Bowl who became the No. 6 overall NFL draft pick and went on to be named the NFL Rookie of the Year after setting multiple league records for a first-year player. Another one of Arroyo's players, offensive lineman Penei Sewell, became the first Oregon player to win the Outland Trophy, which is awarded to the most outstanding interior lineman in college football.

Arroyo's prolific offenses included helping the Ducks become one of four FBS teams with both a 3,000-yard passer and 1,000-yard rusher in consecutive seasons while his 2018 unit was one of nine in the nation to



produce a 3,000-yard passer, 1,000-yard receiver and 1,000-yard rusher. That attack boasted the Pac-12's top receiver, Dillon Mitchell, who set the school's single-season record with 1,184 yards through the air.

Arroyo joined Oregon after spending two years as the running backs coach at Oklahoma State, and brought experience as a coach for every offensive position except the offensive line. Overall, Arroyo helped the Cowboys' offense become one of just two teams in the nation to have a 4,000-yard passer, a 1,000-yard receiver and a 1,000-yard rusher

Prior to going to Stillwater, Arroyo spent the 2014-15 season in the NFL as interim offensive coordinator and play-caller for the Tampa Bay Buccaneers. He originally went to Tampa Bay to coach quarterbacks, but after a health procedure sidelined Bucs offensive coordinator Jeff Tedford, Arroyo took on the offensive coordinator duties. Tampa Bay's offense saw receivers Mike Evans and Vincent Jackson both eclipse 1,000 yards receiving, the first time in team history a pair of receivers went over 1,000 yards.

Arroyo earned the minority coaching internship with the Atlanta Falcons in 2013, working with quarterbacks under head coach Mike Smith and offensive coordinator Dirk Koetter.

Before making the move to the NFL, Arroyo spent the 2013 college football season as the offensive coordinator and outside receivers coach at Southern Mississippi.

Arroyo's first stint in the Pac-12 saw him spend 2011 and 2012 as the passing-game coordinator and play-caller at California. He spent the 2009 and 2010 campaigns at Wyoming as the offensive coordinator and quarterbacks coach, developing quarterback Austyn Carta-Samuels into the Mountain West Freshman of the Year in 2009. In fact, with UNLV rookie receiver Kyle Williams earning Freshman All-America and MW Freshman of the Year honors in 2020, Arroyo has now coached four freshman honorees in the last decade alone: WR Williams (UNLV), QB Carta-Samuels (Wyoming), QB Nick Mullens (C-USA All-Freshman Team at Southern Miss) and RB Justice Hill (Freshman All-America and nation's top rookie rusher at Oklahoma State).

Prior to his time in Laramie, Arroyo was the co-offensive coordinator for two seasons and quarterbacks coach for three campaigns at his alma mater, San Jose State. He was the quarterbacks coach and play-caller for the Spartans in 2006, and added co-offensive coordinator duties from 2007-08 under head coach Dick Tomey.

Arroyo began his coaching career with the Spartans in 2003 as an undergraduate assistant coach. He was the offensive coordinator at Prairie View A&M in 2004 before returning to SJSU as a graduate assistant in 2005.

2021 UNLV SIGNING CLASS

In December 2020, UNLV football head coach Marcus Arroyo announced a record-breaking group of early recruits and the class only continued to grow all the way through May.

The final, updated list of 25 student-athletes featured the highest-rated offensive lineman, defensive lineman and defensive back signed by the Rebels since the introduction of the recruiting star system decades ago.

UNLV's final class ranked eighth among all Group of 5 schools. Its standing of 67th overall by 247Sports was 13 spots higher than a year ago and a stunning 36 spots higher than the average ranking for UNLV's classes in the decade previous to head coach Marcus Arroyo's arrival on campus (averaged 103rd from 2010-19).

The average 247Sports per-player rating of .8314 shattered last year's school-record mark of .8145. This haul of Rebel signees was also ranked second in the MW and 69th nationally by Rivals.

The group is powered by high school players with 17 on the list, along with three junior-college transfers. An impressive cadre of five transfers from four-year schools featured three from the Pac-12 Conference and one from the Big Ten.

The position breakdown sees 14 offensive players and 11 on defense: 6 OL, 6 DB, 3 WR, 3 DL, 2 TE, 2 LB, 2 RB and 1 QB.

The class consists of student-athletes whose hometowns are spread among nine states: 11 from California, a full half-dozen from Texas, two from Hawai'i, and one each from Nevada, Iowa, Georgia, Arizona, South Carolina and – for the second straight year -- Tennessee.

REBELS FALL IN SEASON OPENER

CARSON, CA (UNLVRebels.com) - UNLV football finally opened its 2020 season Saturday night and fell 34-6 to San Diego State in a game staged in front of no fans at Dignity Health Sports Park 110 miles north of the Aztecs' campus.

The Rebels, playing for the first time under new head coach Marcus Arroyo, used three quarterbacks in the first half but saw the hosts jump to a 27-0 lead at the break. UNLV did not waste time getting on the scoreboard in the second half, however, taking the kickoff and driving 81 yards in 13 plays, capped by Max Gilliam's four-yard touchdown pass to Steve Jenkins for the visitors' only points of the evening.

STAT OF THE GAME:
After SDSU won the first down battle 17-1 in the first half, UNLV controlled the ball in the second half and posted 10 first downs to just four for the Aztecs.

QUOTABLE:
"The guys are obviously upset but we played a really, really good football team tonight. Hats off to coach (Brady) Hoke. (With not much time to prepare) we finally got to see some speed and live tackling and it took some time for us to adjust. We calmed down in the second half and did things we were practicing. We'll do better at that moving forward."
-UNLV Head Coach Marcus Arroyo.

REBELS BESTED IN ALLEGIANT OPENER

LAS VEGAS, NV (UNLVRebels.com) - UNLV football (0-2/0-2) debuted in its spectacular new home at Allegiant Stadium on Halloween night and fell 37-19 to arch-rival UNR (2-0/2-0) in front of the 2,000 fans allowed by health officials – the first large-scale gathering in Southern Nevada since mid-March.

The Wolf Pack, who broke a two-game losing skid in the series, built a 24-12 lead at the break. After missing both a field goal and extra point in last week's opener, Daniel Gutierriez hit both of his field goal attempts to give the hosts their first six points.

After playing three quarterbacks in the first half alone last week, senior Max Gilliam went the distance behind center and finished with a completion percentage of 67.5

Senior running back Charles Williams ran for 99 yards, which moved him past Michael Morton (1978- 81) into sixth place on UNLV's career list with 2,624

PLAYER OF THE GAME:
Quarterback Max Gilliam, making his ninth start as a Rebel, was coolly efficient, hitting 27 of 40 pass attempts for 207 yards and two touchdowns.

STAT OF THE GAME:
UNLV and UNR faced each other on Halloween – the anniversary of the Silver State joining the Union in 1864 -- for the first time in the series, which kicked off in 1969.

QUOTABLE:
"I'm proud of some of the improvement, but again we're not into moral victories. It's exciting to come into a great and amazing venue that people worked so hard to get us into, so we're really grateful for that. Allegiant Stadium is amazing and the people that put the blood, sweat and tears into putting this together did a phenomenal job to get this ready for all of us in a really tough time. So we're excited about that. But we're hurting."
-UNLV Head Coach Marcus Arroyo

REBEL NOTES

- In its first game inside Allegiant Stadium, UNLV wore the same interlocking UN helmet decal that it wore when it opened its last home – Sam Boyd Stadium (then known as Las Vegas Stadium) on Oct. 23, 1971
- UNLV fell to 32-21 in home lid-lifters and saw its two-year win streak snapped
- The Wolf Pack earned the first three points in this year's Silver State Series presented by IBEW Local 401 and Nevada Donor Network. UNLV has won the annual all-encompassing competition between the two schools in seven of its eight years
- Senior tight end Gio Fauolo Sr. finally made his debut in the second half after serving a 1.5 game suspension remaining from last year's finale in Reno
- Tyleek Collins' one-yard touchdown catch from Gilliam not only marked the first UNLV touchdown in its new home but also was his first score since leading the team with six TD receptions in 2018
- Gilliam played every down at QB but freshman WR Kyle Williams completed an attempt on a double pass for 15 yards to TE Noah Bean to become the fourth player to throw a pass for UNLV in the first two games

BULLDOGS WIN GOING AWAY

LAS VEGAS, NV (UNLVRebels.com) - Tied in the fourth quarter, Fresno State (2-1/2-1) scored the game's final 13 points to down UNLV (0-3/0-3) 40-27 Saturday afternoon in front of the 2,000 fans allowed in Allegiant Stadium by health officials.

The Rebels, who saw a season-high in points scored, enjoyed their first leads of 2020, 7-6, 10-6 and then 17-13 in the first half and then quarterback Max Gilliam's 71-yard scoring jaunt eventually tied things heading into the final quarter before the Bulldogs added a touchdown and a pair of field goals.

Fresno State turned a trio of UNLV turnovers into 10 points and running back Ronnie Rivers was outstanding for the visitors, rushing for 133 yards and three TDs and catching six passes for 99 yards and another score.

UNLV senior running back Charles Williams ran for 89 yards against his hometown team, which moved him past Kirk Jones (1983-86) into fifth place on UNLV's career list with 2,713.

PLAYER OF THE GAME:
Sophomore defensive end Jacoby Windmon led the way defensively for UNLV with a team-high nine total tackles, two pass breakups and 2.5 quarterback sacks. He became the first Rebel to record more than two sacks in a game since Jeremy Geathers also had 2.5 vs. Wyoming in 2006.

STAT OF THE GAME:
UNLV's defense posted four sacks – all in the first half – in a game for the first time since the 2019 opening win over Southern Utah.

QUOTABLE:
"In the second half we had three turnovers. We didn't execute how we needed to execute in a second half of football and that's going to put you in a position that's going to be tough to overcome."

UNLV FALLS SHORT AT SAN JOSE STATE

SAN JOSE, CA (UNLVRebels.com) - Undefeated San Jose State (4-0/4-0) spoiled the homecoming of its former quarterback, UNLV head coach Marcus Arroyo, as the Rebels (0-4/0-4) fell 34-17 on a cold Saturday night at CEFCU Stadium.

The Rebels scored first with a short field goal but saw SJSU put up 17 straight points en route to a 24-10 advantage at halftime. UNLV pulled to within one score in the third quarter before SJSU tallied the final 10 points of the game.

UNLV's two quarterbacks, Max Gilliam and Justin Rogers, combined to complete 19-of-28 attempts for 224 yards and no turnovers.

PLAYER OF THE GAME: True freshman WR Kyle Williams posted the team's first 100-yard receiving game of the season with a career-high nine receptions for 110 yards, including one touchdown.

STAT OF THE GAME: SJSU recorded seven sacks to UNLV's one, which led to the hosts out-rushing the visitors 176-70.

QUOTABLE: "We talk about not letting UNLV beat UNLV but you can't make those kinds of mistakes we did tonight and beat a good football team, which is what San Jose State is. We saw some growth in some areas and these guys will respond and come back and get ready for next week."

REBELS DROP FRIDAY GAME WITH WYOMING

LAS VEGAS, NV. (UNLVRebels.com) -- In a game that saw both sides playing football for the first time in a while because of COVID-19 issues, UNLV (0-5/0-5) fell 45-14 to Wyoming (2-2/2-2) in a special Friday afternoon holiday week meeting at Allegiant Stadium.

The Cowboys, who saw their previous two games canceled, struck first with a 78-yard TD run less than a minute into the game. The Rebels, who did not make their scheduled trip at Colorado State last week, posted a 98-yard drive at the end of the first half to draw to within 17-7 at the break after quarterback Max Gilliam ran it in from two yards out. However, Wyoming pulled away in the third quarter, powered by turning a pair of turnovers into touchdowns.

UNLV true freshman quarterback **Doug Brumfield** made his collegiate debut in relief of Gilliam and ran in his team's other touchdown on an eight-yard scamper in the fourth quarter.

STAT OF THE GAME: Wyoming only had 99 passing yards but out-rushed UNLV 399-132 as Rebel tailback Charles Williams was limited to just 24 net yards on nine carries and Gilliam led the team with 63 net yards as a signal-caller

QUOTABLE: "I'm excited for some of the young guys that got a chance to get out there today. To see them step up in the course of this week, my hat's off to them having to jump in. Twelve freshmen plus seven walk-ons having to go in and compete, and have to work in the course of a week is something to be proud of in that regard. I think that's something that even from top to bottom as an organization, we've got to make sure that doesn't get swept under the rug." -UNLV Head Coach Marcus Arroyo

FINALE ENDS WITH LOSS ON ISLANDS

HONOLULU (UNLVRebels.com) - Despite some impressive statistics, the UNLV football team (0-6/0-6) completed its 2020 season with a 38-21 loss at Hawai'i (4-4/4-4) in the 30th all-time meeting between the programs Saturday night at Aloha Stadium.

The Rainbow Warriors won their third straight over the Rebels by building a 21-0 lead in the second quarter that turned out to be too big of a hole to climb out of for the visitors. UNLV did take momentum into halftime with a 75-yard scoring drive capped by quarterback Max Gilliam's pretty 19-yard pass to freshman standout receiver Kyle Williams. UH responded by taking the opening drive of the third quarter into the end zone to make it 28-7. A pair of touchdown runs by senior Rebel RB Charles Williams, including a season-long 49-yarder, drew the Rebels, who posted a season-high 463 yards of offense and earned more first downs than the hosts, to within two scores but the visitors could get no closer as the only scoring in the fourth quarter was a Hawai'i field goal.

PLAYER OF THE GAME: Tough to choose between the two Rebels with a last name of Williams but true freshman Kyle Williams had a career-night to cap an already stellar debut season. The rookie became the 21st Rebel to reach double-digits for receptions in a game -- and the first since Devonte Boyd in 2016 -- with a total of 10 for a career-high 144 yards and the one over-the-shoulder touchdown in the second quarter. Williams, who was shaken up and left the game late before racking up even gaudier numbers, shattered UNLV's record for receptions-per-game by a freshman in a season with 5.8, besting Boyd's mark of 5.0 set in 2014.

STAT OF THE GAME: Charles Williams looked more like the Chuck Wagon of old as the senior posted his first 100-yard game of the season with 148 net yards on just 22 carries. It moved him past Dominique Dorsey into fourth place on UNLV's career rushing list with 2,940 and marked the 10th century-mark game for Williams overall, which moved him into a tie for fifth in school history. His two TDs against UH gave him 19 as a Rebel -- good enough for eighth place on UNLV's career list.

- UNLV true freshman Ricky Johnson saw his first significant action and tied with two others for the team lead in tackled with seven
- The Rebels posted four QB sacks, including two from senior DL Kolo Uasike

BILL IRELAND
(1968-72)

A pioneer in Rebel Athletics, Bill Ireland was UNLV's first football coach and helped shape the school's entire athletic department. After posting four winning seasons in his five years on the field, including an 8-1 record in his first campaign, Ireland stepped down to serve as UNLV's Director of Athletics from 1973-1980. He went on to serve as the executive director of the UNLV Hall of Fame and as an executive consultant for the Las Vegas Bowl. Ireland passed away July 31, 2007, at the age of 80.

TONY KNAP
(1976-81)

Serving longest as the head man for the Rebels, Tony Knap came to UNLV from Boise State in 1976. In his six seasons, Knap led the Rebels to an NCAA Division II playoff appearance in 1976, a move to the Division I level in 1978 and a stunning road upset of No. 8 Brigham Young in 1981, perhaps the greatest game in school history. Still the winningest coach in UNLV history, Knap retired to his home state of Washington where he passed away in 2011.

MIKE SANFORD
(2005-09)

Mike Sanford came to the Rebels from Mountain West rival Utah after he had coordinated the Utes' record-setting offense for two years under Urban Meyer. A former quarterback at USC, Sanford replaced his former college coach, John Robinson, at UNLV on Dec. 6, 2004. He spent five seasons in Las Vegas, which tied for the third longest coaching stint in Rebel football history. After a stint as head coach at FCS school Indiana State, he was on staff at Western Kentucky and currently coaches Las Vegas' Faith Lutheran High School.

TONY SANCHEZ
(2015-19)

Tony Sanchez did not have to move far when he was hired by UNLV as only the fifth high school coach to move directly to the head job at an FBS-level school. Sanchez built national powerhouse Bishop Gorman across town and was fresh from winning the national championship with the Gaels. He went on to become just the third Rebel head man to finish with at least three wins against UNR, compiling a 3-2 mark vs. the Pack. He is currently on the staff at TCU.

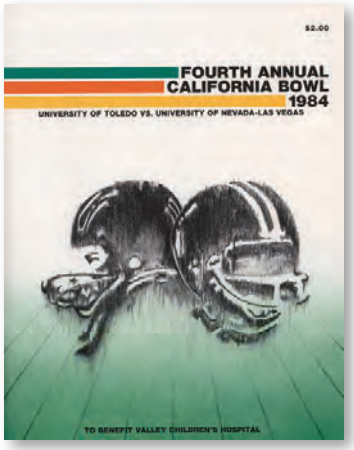
REBEL BOWL HISTORY

Still the winningest team in UNLV Division I history at 11-2 overall, the 1984 squad earned the school its first bowl bid and went on to beat Toledo 30-13 in the California Bowl.

The first Big West team to ever win seven league games, Coach **Harvey Hyde**'s Rebels lost only a close game at Hawaii and to 10th-ranked SMU in the regular-season finale, the night **Randall Cunningham**'s No. 12 jersey was retired at halftime.

Not surprisingly, UNLV swept the league's postseason honors with Offensive Player of the Year Cunningham, Defensive Co-Player of the Year **Aaron Moog** and Coach of the Year Hyde.

UNLV took on an 8-2-1 Mid-American Conference Champion Toledo squad in the fourth California Bowl in front of a national ESPN audienceand the Rebels won impressively, 30-13.



UNLV broke the game open with 17 third-quarter points led by Cunningham's passing and the running of a freshman from Fresno named **Elbert "Ickey" Woods**. Cunningham's 270 yards through the air helped him earn MVP honors. Just a few months later the lanky QB became a second-round choice of the Philadelphia Eagles in the 1985 NFL Draft. Woods went on to lead the nation in rushing in 1987 with 1,658 yards before "shuffling" off to Cincinnati as a second-round pick in 1988.

The team reunited in 2012 as it was inducted into the UNLV Athletics Hall of Fame.

California Bowl MVP Randall Cunningham threw for two touchdowns and ran for another.

Appearing in its first bowl game in a decade, UNLV blasted Mid-American Conference opponent Central Michigan in the second meeting of the year between the two clubs.

Playing it up for a national television audience on ESPN, the Rebels (7-5), who racked up 589 yards in offense (the most by any '94 bowl team) jumped out to a quick 14-0 lead over the Chippewas (9-3). Not even two minutes had passed in the first quarter when **Henry Bailey**, the Rebels' career receiving leader, exploded for a 46-yard touchdown reception from **Jared Brown**. The strike was the first of four UNLV touchdowns longer than 30 yards on the night. After the Chips pulled to 14-10, the Rebel offensive machine continued to roll and UNLV pulled away for good on a 15-yard fumble return for a TD by defensive end **Keith Washington**.

UNLV eventually cruised to a 52-10 lead before clearing the bench. Las Vegas Bowl III MVP Bailey, soon to be a Pittsburgh Steelers draftee, rushed for 79 yards on seven carries with three TDs, and accumulated 101 yards receiving with one score. Sophomore RB **DeJohn Branch** had a sparkling performance, carrying the ball 13 times for 125 yards, and Brown finished the game 11-for-21 for 195 yards with two TDs and 32 yards rushing. UNLV coach **Jeff Horton** was named the Big West Conference Co-Coach of the Year for turning a 3-8 team in '93 into league and bowl champions in his first season.

The 1994 team was inducted into the UNLV Athletics Hall of Fame in 2010.

Henry Bailey's four touchdowns helped him run away with MVP honors.

Playing before a national ESPN2 audience and a Las Vegas Bowl-record 29,113 fans, UNLV (8-5) won its fourth straight for the first time since 1984 and moved to 3-0 all-time in bowl games with a surprisingly one-sided 31-14 victory over Arkansas (6-6), the Rebels' first over a team from the powerful Southeastern Conference.

UNLV quarterback **Jason Thomas** earned MVP honors by completing 12 of 17 pass attempts for 217 yards and three scores without an interception as well as rushing for 32 yards on 10 carries. Thomas' favorite target was **Nate Turner**, who ended his career with 126 yards on eight catches – all in the first half. **Jeremi Rudolph** gained 92 yards on 14 carries and **Kevin Brown** had 78 on 13 attempts. Arkansas, which was fresh from two consecutive victories over ranked SEC opponents to become bowl eiligible, opened the scoring with the only points of the first quarter. UNLV answered with a Thomas-to-Turner 19-yard pass, which was the first TD given up by the Razorbacks in 11 quarters. Two minutes later the Hogs used **Robby Hampton**'s second scoring throw of the game to take a 14-7 lead. UNLV, however, struck again to square things before halftime with a five-yard Turner TD. Things stayed tied until with just over two minutes left in the third, Thomas found **Troy Mason** with a stunning 54-yard TD strike that was the second longest in bowl history. After a **Dillon Pieffer** field goal put UNLV up 24-14, the Razorbacks elected to go for it on fourth and 10 from the Rebel 37 with more than 12 minutes remaining. The UNLV defense forced an incompletion and the inspired Rebels eventually closed their shocking 24-point scoring run with an 18-yard Brown run. The Rebels out-gained the bigger Hogs, who had defeated seven straight non-conference opponents and were 6-0 vs. MW teams, 476 to 298. UNLV also held its opponent to under 200 yards rushing (115) for the 12th time in 2000. The Rebels, who moved to 2-0 in Las Vegas Bowls, earned their most victories in a season since 1984 and finished the season a perfect 6-0 at Sam Boyd Stadium. Head Coach **John Robinson** improved to 8-1 in bowl games during his career, which made him the winningest bowl coach in NCAA D-I history with a percentage of .889. "This is particularly gratifying because our guys were at their best," Robinson said during the post-game celebration.

It's certainly been a long road for UNLV. This time, traveling more than 1,200 miles to the Heart of Dallas Bowl presented by PlainsCapital Bank and a de facto home game for North Texas proved to be too much for a rising Rebel program, which lost 36-14 on Wednesday afternoon at Cotton Bowl Stadium.

North Texas (9-4), located just 44 miles north of Dallas on Interstate 35E, opened up a game that was tied 7-7 at intermission with physical play on both sides of the ball. The Mean Green scored 22 fourth-quarter points to hand UNLV (7-6) its first bowl loss in four appearances.

UNLV had been up the challenge on the road three times this year, winning as many road contests in 2013 as it had in the previous eight seasons combined. That helped a 2-11 team become one that won seven games, making one of the nation's biggest turnarounds.

Things looked good early on for the Rebels (7-6). Absent from a bowl game for 13 years, UNLV put points on the board on its opening possession.

Pinned deep after a North Texas punt, the Rebels took the ball 95 yards, slicing through the Mean Green defense on just eight plays. Senior quarterback **Caleb Herring** was a perfect 5-for-5 for 59 yards on the drive and found **Marcus Sullivan** in the end zone for the score.After forcing a quick 3-and-out, UNLV's **Keith Whitely** muffed the ensuing punt, giving the Mean Green possession on the Rebels' 42-yard line. It was a momentum changer, as eight plays later **Antoinne Jimmerson** scored on a 1-yard touchdown run to tie the score, 7-7, with 1:47 remaining in the first quarter.

UNLV never got back on track offensively, and didn't score again until **Jerry Rice, Jr.**, hauled in a Herring pass with 4:56 left in the game that cut North Texas' lead to 28-14.

The Rebels averaged better than 30 points per game on the year and hadn't been held under 24 points in any of its past five contests.

For the game, North Texas outgained UNLV 397-262. **Tim Cornett,** the Rebels' all-time leading rusher, was bottled up (33 yards on 12 carries) all afternoon.

UNT also converted 10 of 17 third-down opportunities, including 9 of 11 chances in the second half. That kept the UNLV defense on the field for more than 35 minutes.

Houston native **Devante Davis**, one of the nation's leading pass catchers, registered 10 catches for 96 yards in his return to the Lone Star State.

Devante Davis' 10 receptions against UNT were the most by a Rebel in a bowl game.

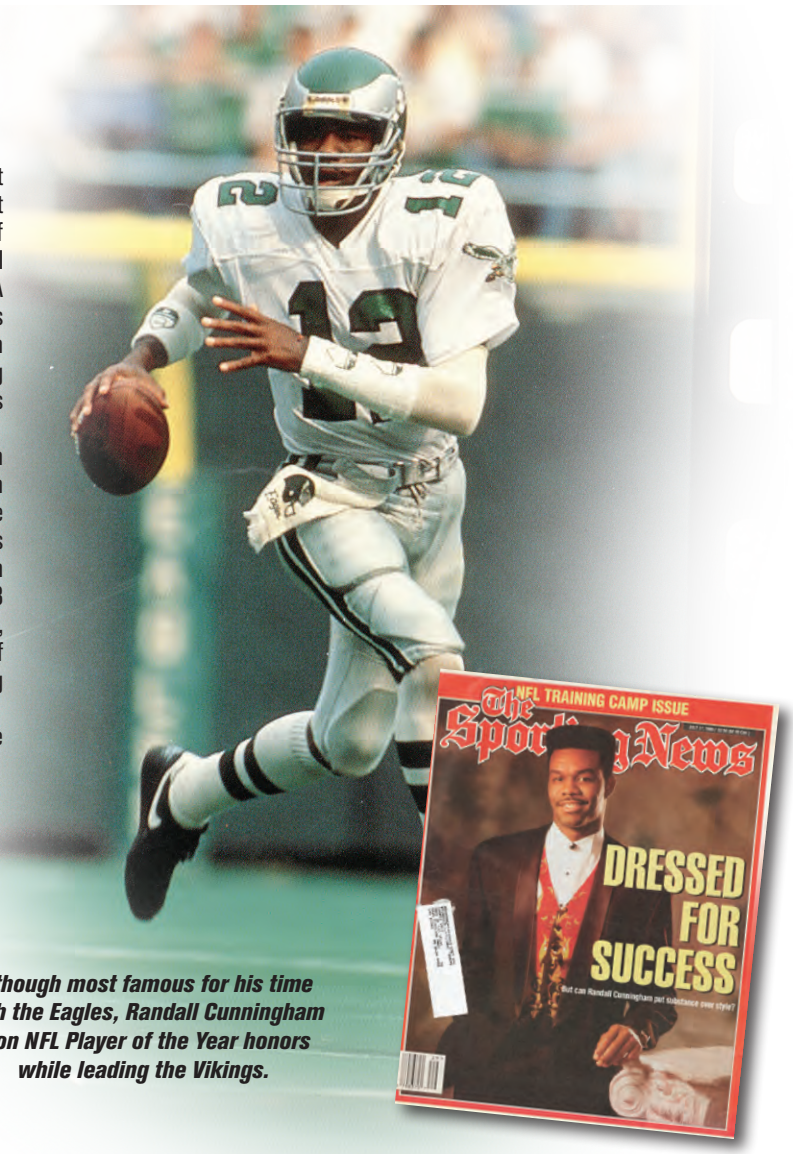
CUNNINGHAM HEADS UNLV'S NFL ALUMNI

Still the career passing and punting leader at UNLV, Randall Cunningham left his school as its most accomplished player and went on to become one of the top quarterbacks in NFL history. Before Michael Vick and Donovan McNabb there was Randall. A national figure who broke the racial barrier at his position, Cunningham augmented his cannon arm and booming punting leg by redefining the running ability of a pro quarterback and left as the league's all-time rushing QB with 4,928 yards.

Rising to stardom with the team that drafted him 37th overall in 1985 - Philadelphia - Cunningham went on to play 11 seasons with the Eagles, three with the Vikings, one with the Cowboys and his final two with the Ravens. The four-time Pro Bowl invitee won Most Outstanding Player honors in the 1989 game after leading the NFC to a 34-3 blowout. Joining Johnny Unitas as the only three-time winners of the Bert Bell Award, which goes to the league's top player, Cunningham was also named the NFL Player of the Year in 1998 after leading Minnesota to the league's best record and engineering what was the highest scoring offense in history.

The Las Vegas resident retired, symbolically, as an Eagle, in 2002 and became the first Rebel player inducted into the College Football Hall of Fame in 2016.



Although most famous for his time with the Eagles, Randall Cunningham won NFL Player of the Year honors while leading the Vikings.

REMEMBERING "THE WONDER OF WACO"

Did it really happen? Did 1999's most memorable play in college football really take place on a muggy Sept. 11 night in Waco, Texas? Did UNLV really pull off something never before done to start 2-0 on the road for the first time in 25 years? Yes. Yes. And, surprisingly – no make that inexplicably, yes.

UNLV made history by becoming the first team to win a college football game on the last play while trailing and without the ball. And it all happened because of one team's intention to run up the score and another team's refusal to allow it.

Host Baylor was leading the Rebels 24-21 with eight seconds left when it ran a rushing play to attempt to score again instead of simply downing the ball to end the game. After Bears running back Darrell Bush was stood up at the one-yard line by the Rebel defense, LB Tyler Brickell managed to force a fumble.

DB Kevin Thomas picked up the ball in the end zone and, with no time on the clock, raced more than the length of the field to score his team's winning points as UNLV prevailed 27-24. The shocking video showed up on everyone's highlight show while UNLV announcer Tony Cordasco's now-famous radio call repeatedly played across the nation. It was only the third time in NCAA FBS history that a fumble had been returned 100 yards (interestingly, the second time came against UNLV at Rice just four games previous in 1998.)

In 2007, the play ranked 85th in ESPN.com's Top 100 Defining Plays in College Football History.

Tyler Brickell (No. 48) stripped Baylor RB Darrell Bush just outside the end zone.

Kevin Thomas (No. 28) picked up the fumble and sprinted 100 yards the opposite way.

Phillip Payne's "The Catch"

September 20

UNLV becomes the eighth school in history to earn back-to-back overtime victories with a 34-31 home thriller over Iowa State. Omar Clayton hits freshman sensation Phillip Payne in the end zone during UNLV's first offensive play in the extra period to give the Rebs their first win in five career meetings with the Cyclones.

October 10

Casey Flair passes Damon Williams for first place on the UNLV career receptions list with a catch at BYU. Flair, who would become the first four-year player in school history to record at least one catch in every game of his career (47), would see his reception record stand for only weeks before teammate Ryan Wolfe takes over the top spot.

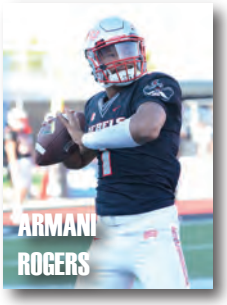
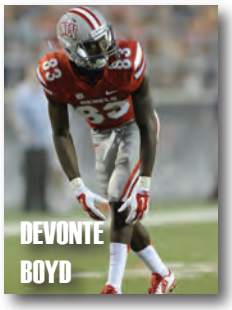
2020 MW FRESHMAN OF THE YEAR

Kyle Williams broke the school record and ranked third in the nation with 5.8 receptions per game en route to leading the team in catches and yards during the abbreviated six-game season that also garnered him Second Team Freshman All-America honors from The Athletic.



2017 MW FRESHMAN OF THE YEAR

Armani Rogers shattered UNLV QB rushing records while wowing fans with 780 yards and eight touchdowns on the ground as a rookie. He also threw for 1,471 yards and six more scores despite missing a quarter of the season with an injury.



2014 MW FRESHMAN OF THE YEAR

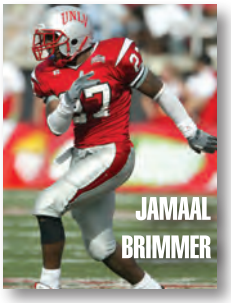
Devonte Boyd went for 102 yards on six catches at Arizona in his first collegiate game -- and never looked back. He would go on to lead the nation in receiving yards during the regular season and his 65 catches and 980 yards shattered UNLV's freshman single-season marks. He later became the third Rebel named to the FWAA Freshman All-America Team.

2007 MW DEFENSIVE PLAYER OF THE YEAR

Beau Bell was a dominant force on his side of the ball in 2007, leading the league with 126 total tackles and five forced fumbles to go with 9.5 TFL and 3 sacks. He also led the team with four interceptions, including one at Wyoming that he returned for his first career TD. Bell became the first player in MW history to be named defensive player of the week three times in one season and left UNLV ranked second in all-time tackles with 320. The fourth Rebel ever to be invited to play in the Senior Bowl, Bell had eight double-digit tackle games as a senior and went on to become the top draft pick of the Cleveland Browns.

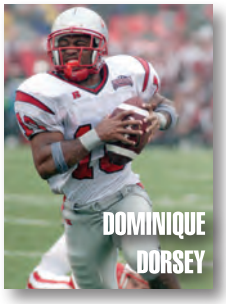
2006 MW FRESHMAN OF THE YEAR

Ryan Wolfe's first game as a collegian saw him catch six balls for 160 yards, including a 71-yard touchdown sprint. The rookie later proved it was no fluke when he hauled in nine receptions for a MW-freshman-record-tying 176 yards vs. New Mexico. He also posted 108 yards vs. Air Force to close the campaign. Named First Team Freshman All-America by the Football Writers Assoc. of America, Wolfe was UNLV's first first team all-conference receiver since 1997 after becoming the first freshman to ever lead the conference in receiving yards (911), which ranked 26th nationally.



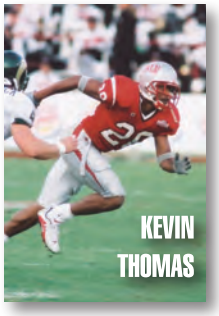
2002 & 2003 MW DEFENSIVE PLAYER OF THE YEAR

Hometown hero Jamaal Brimmer exploded onto the scene as a sophomore in 2002, including leading the MW with 17 tackles for loss and a squad-leading 5.5 QB sacks. Hence, he was the pick of both the coaches and media for league MVP honors in. One year later, his stats only improved as he led the league with six interceptions and four forced fumbles, which led to two key defensive scores. His eye-popping day in leading his team to an upset of Wisconsin got him national defensive player of the week honors and helped him become a semifinalist for the Thorpe Award and repeat as the consensus defensive MVP of his conference, despite being snubbed by MW coaches.



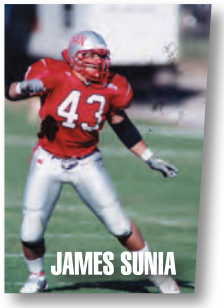
2001 MW FRESHMAN OF THE YEAR

'Nique the Streak burst on to the scene with a scintillating 87-yard kickoff return vs. Northwestern in his first career attempt. Nine returns later he had broken the school record for season average at 36.4. Despite injuries, he displayed similar bursts at tailback and led the team with a 6.6-yard average, including TD runs of 56 and 40 yards. Against UNR, he set a league rookie record by gaining 180 yards on just 18 carries.



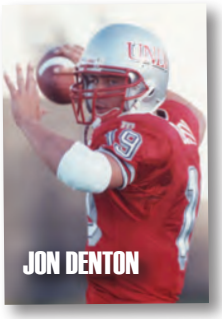
2001 MW DEFENSIVE PLAYER OF THE YEAR

The school's first Division I All-American on his side of the ball, cornerback Thomas wrapped up perhaps the finest defensive career in Rebel history by breaking the school and MW single-season record for interceptions with seven, leading the nation in both interception return yardage and defensive scoring after taking three balls back for touchdowns while also pacing the league in passes defended with 17.



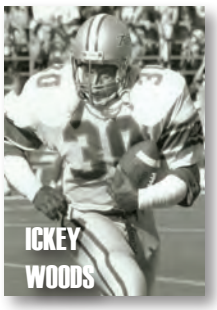
1998 WAC FRESHMAN OF THE YEAR (PACIFIC DIVISION)

A true Hawaiian warrior, Sunia became the first freshman in school history voted team captain and went on to start all 11 games at MLB. Named First Team Freshman All-America by Football News after leading his team with 115 total tackles, Sunia would gain 119 takedowns a year later but spend his final two seasons suffering from various injuries, keeping him from breaking UNLV's tackle record.



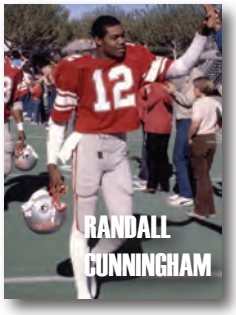
1996 WAC FRESHMAN OF THE YEAR (MOUNTAIN DIVISION)

Turning in arguably the best season by a freshman QB in FBS history, Denton shattered 10 NCAA freshman records and 10 other school marks for a team that won only one game. His nine 200-yard passing games included a school-record 503-yard performance vs. SDSU while his 3,591 yards and 25 TDs passing were NCAA single-season records for a frosh. The DENTON-ATOR would play only one more season before transferring to Eastern Kentucky.



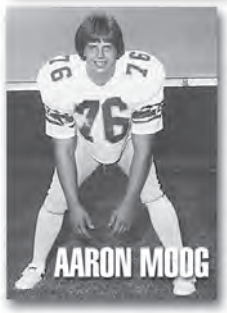
1987 PCAA OFFENSIVE PLAYER OF THE YEAR

Saving the best for last, Elbert "Ickey" Woods gained only 267 yards his first three seasons. As a senior he proceeded to lead the nation in rushing with 1,658 yards on 259 carries (6.4 YPC) and put in 10 touchdowns. He tied a school record with seven consecutive 100-yard games, including an incredible three straight over 200.



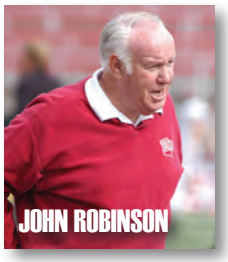
1983 & 1984 PCAA OFFENSIVE POY

The first two-time league MVP for the Rebels, Randall Cunningham was an All-American punter and future NFL star at quarterback. The school's career passing leader threw for 2,545 yards, 18 TDs and only 8 INTs in 1983 and followed that up with 2,628 yards, 24 TDs and 10 INTs in a senior campaign that saw his team finish 11-2, including winning the PCAA title and California Bowl.



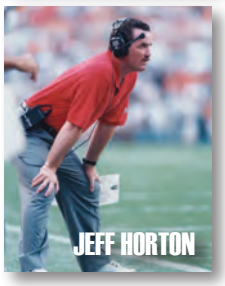
1984 PCAA CO-DEFENSIVE PLAYER OF THE YEAR

The complete package along the line with superb speed, agility and aggressiveness, Moog led one of UNLV's best-ever defenses by totaling 63 tackles, including six for loss, six sacks and three pass breakups. The Rebels flirted with the national rankings by winning their first league title and bowl championship en route to an 11-2 overall mark.



2000 MWC CO-COACH OF THE YEAR

Just a year after taking over a program that posted its first-ever winless season, Robinson led the Rebels to their most wins since 1984 (8-5) and victory over Arkansas in the Las Vegas Bowl.

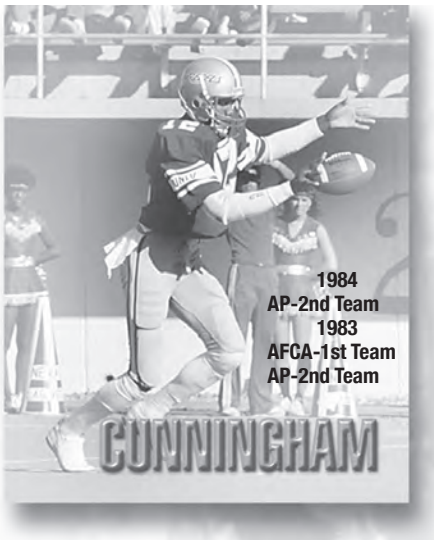


1994 BIG WEST CO-COACH OF THE YEAR

Under a first-year head coach, the Rebels rebounded from a 3-8 record to shock the league and earned a three-way tie for the Big West championship with a 5-1 record. Winning the tiebreaker, UNLV earned the Las Vegas Bowl bid and crushed Central Michigan 52-24.

1984 PCAA COACH OF THE YEAR

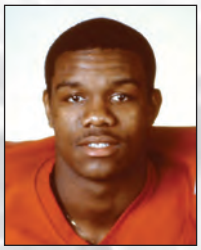
The most successful Rebel squad since moving to division one, Hyde's 1984 Rebels were 11-2 overall and 7-0 in the Pacific Coast Athletic Association. The season, which culminated with a 30-13 victory over Toledo in the California Bowl, also produced the school's first league coach of the year award.

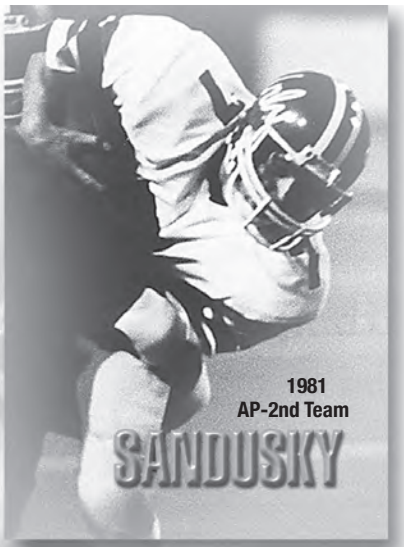


RANDALL CUNNINGHAM

Punter/Quarterback

Although he is now known for being the NFL's all-time leading rushing quarterback for many years, Santa Barbara, Calif., native Randall Cunningham (1981-84) won his national collegiate honors at his other position – punter. Still the Rebels' leader for punting average in a game (58.0), season (47.5) and career (45.6), Cunningham would own the second-best career punting average in college football history if he had punted just eight more times during his three years on the field. Touted as a Heisman Trophy candidate for his lethal combination of talent throwing, running and punting the ball, Cunningham was named first team All-America in 1983 (as well as honorable mention QB by AP) and second team in 1984, making him UNLV's first two-time All-American since the school moved to Division I in 1977. He would go on to be the 37th pick in the 1985 NFL Draft by the Philadelphia Eagles and was named the 1998 NFL Player of the Year as a Minnesota Viking QB.





JOE INGERSOLL

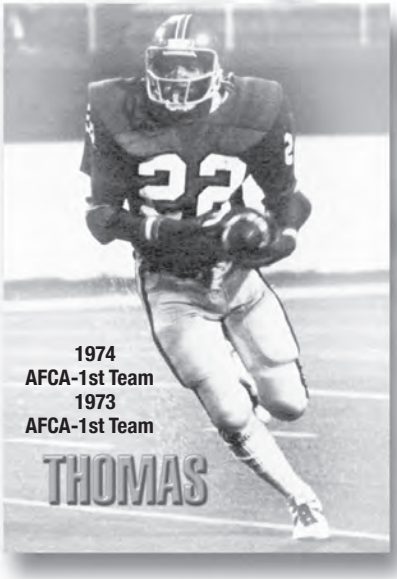
Defensive Lineman

One of only four repeat All-Americans in UNLV history, Joe Ingersoll (1973-75) also was the first defensive player from the Rebels so honored. The Salt Lake City native played his freshman year at Utah before transferring to the desert and performing as a dominant defensive lineman for three years. As a junior, "Big Joe" led the undefeated 1974 UNLV team in tackles with 105, including four sacks, and was tabbed an AP Div. II Second Team All-American. As a senior, the terrific tackle earned first team honors from the AFCA and would go on to become a seventh round choice by the Miami Dolphins in the 1976 NFL Draft. In 1987, Ingersoll was a member of the inaugural UNLV Athletics Hall of Fame.

JIM SANDUSKY

Wide Receiver

Although his UNLV career was brief, San Diego native Jim Sandusky (1981) turned in the greatest receiving year in school history during his one year on campus. Catching balls from the arm of QB Sam King as part of head coach Tony Knap's free-wheeling offense, Sandusky hauled in 68 passes (17 more than any previous Rebel) for 1,346 yards, which is still a school record. Despite playing in only 12 games, Sandusky remains tied for second at the school with eight career 100-yard receiving games. Such output would earn him Second Team All-America honors. However, with Knap retiring, Sandusky would transfer to San Diego State and go on to a distinguished career in the NFL and Canadian Football League.



MIKE THOMAS

Running Back

The bluest of Blue Chip recruits out of Greenville, Texas, Mike Thomas 1973-74, signed on with the University of Oklahoma but soon left Norman to ride his way West and right into the Rebel – and national – record books. His two seasons in Las Vegas were nothing less than stunning. As a junior in 1973, he scored a school-record 20 touchdowns and led the nation in rushing yards with 1,741, which was just 35 short of the then-NCAA single-season record. A year later, Thomas added 1,408 yards and 17 rushing scores to lead the Rebels to their only undefeated regular season and a Div. II ranking as high as No. 2 before losing in a national semifinal game. His still-UNLV-best career totals were 3,149 yards and 37 TDs born from a 6.6-yards-per-carry average. Both seasons resulted in AFCA First Team All-America nods for UNLV's first true football star to make him the only two-time first-teamer in Rebel history. Thomas would go on to complete a fine NFL career with the Washington Redskins and San Diego Chargers.

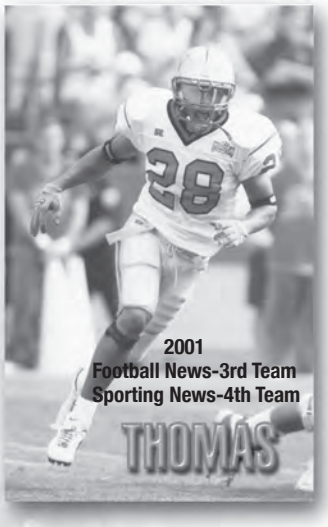
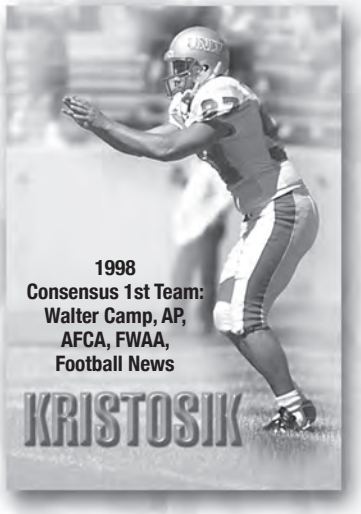
JAMAAL BRIMMER Safety

The first non-senior to earn All-America at UNLV since Randall Cunningham in 1983, Jamaal Brimmer (2001-04) also became the first non-punting first team honoree for the Rebels since 1975. The hometown hero introduced himself to the nation early in the season with the greatest single defensive performance in school in leading his team to a major upset at Wisconsin on national TV. Brimmer's phenomenal day, which included 11 tackles, two interceptions, one fumble return for a TD and two quarterback sacks, earned him the Bronko Nagurski National Defensive Player of the Week honors. The free safety, who would be voted the school's first two-time consensus league MVP in his career, led the MW with six interceptions and four forced fumbles to go with three sacks and four fumble recoveries in 2003. The first UNLV semifinalist for the Jim Thorpe Award became the school's first two-time All-American since Cunningham with nods from AP and The Sporting News as a senior. That followed being named a community service All-American as a member of the 2004 AFCA Good Works Team.



JOE KRISTOSIK Punter

Joe Kristosik (1995-98) was a bright light through the program's only winless season in 1998. He walked on to his hometown team in 1994 and five years later walked away as the school's first and only consensus First Team All-American. Kristosik was the first Rebel booter to lead the nation in punting with a 46.2-yard average, which was the second-highest in NCAA history with a minimum of 75 attempts. Along the way, he turned in perhaps the greatest performance ever by a collegiate punter when he had 13 tries at BYU with eight going longer than 50 yards and a stunning four traveling at least 60 yards, including two season-long kicks of 67 yards. Kristosik became the first-ever UNLV member of the prestigious Walter Camp Football Foundation team. Kristosik was inducted into the UNLV Athletics Hall of Fame in 2008.

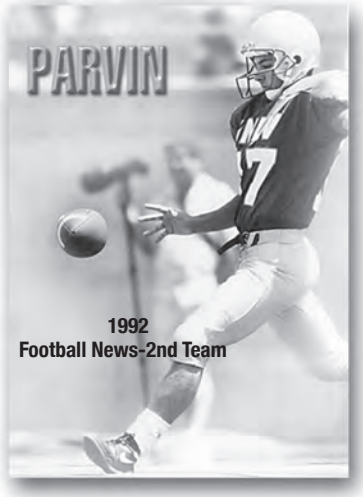


KEVIN THOMAS Cornerback

Making a strong bid as being the best defensive player in school history, Kevin Thomas (1998-2001) turned on the gas to close out his stellar career and become the first Rebel on his side of the ball to earn All-America since 1975. Holder of various school and conference records, KT came to Las Vegas from Sacramento as a scrawny and unheralded defensive back but left as one of the best cover men in the nation en route to being tabbed third team All-America by Football News and fourth team by The Sporting News. The second three-time first team all-conference player in Rebel history, his seven picks as a senior broke the UNLV and MW record for a single season as he led the nation in interception return yardage (213) and defensive scoring (18 points). An iron man who never missed a start in four seasons (UNLV-record 46 overall), his six career touchdowns highlighted a school-record 55 career pass breakups. The Jim Thorpe candidate and MW Defensive Player of the Year played in both the Senior Bowl and East-West Shrine Game before being selected by the Buffalo Bills in the NFL Draft. Thomas was inducted into the UNLV Athletics Hall of Fame in 2012.

BRAD FAUNCE Punter

A transfer from Glendale (Calif.) Junior College, Brad Faunce (1993-94) used his powerful leg to post an impressive two-year career at UNLV. His junior season included a 45-yard punting average that earned him Second Team All-America honors. Also the squad's kickoff man in 1994, Faunce's memorable 91-yard punt vs. UNR was not only a school record, but also helped the Rebels upset the Wolf Pack to win the Big West Conference title and a berth in Las Vegas Bowl III.



BRIAN PARVIN Punter

Brian Parvin (1991-92) became UNLV's first All-American in seven years when he was named to Football News' second team as a senior. A transfer from Mt. San Antonio Junior College in Walnut, Calif., Parvin turned in a fine junior campaign with a 41.9-yard punting average, which was good for 18th in the nation. His senior year, however, produced the second-highest season number in school history with 46.3 – the third-best average in the nation in 1992.

Combining the excitement of an urban location with the charm of a traditional campus, the University of Nevada, Las Vegas offers students a full educational and social experience.

Now more than six decades old, UNLV has maintained a healthy rate of growth in enrollment, programs and scholastic excellence as part of the eight-component Nevada System of Higher Education.

Located in the heart of one of the world's most vibrant and dynamic cities, UNLV has matured along with the Las Vegas area. With enrollment more than doubling the last decade, the tremendous growth has meant a flurry of construction resulting in a campus setting boasting academic and athletic facilities second to none.

Steadily becoming a traditional residential university, UNLV provides on-campus housing for more than 2,000 students. A variety of student clubs and organizations along with 36 Greek organizations supplement the social development of students.

From within its 16 schools and colleges, including the William S. Boyd School of Law and the new UNLV School of Medicine, UNLV is also becoming a leading research institution of the West. The school's scientific, social science, and business programs attract millions of dollars in research grants annually to fund projects in desert biology, nuclear waste transportation, laser physics, public opinion surveys and many others.

In addition to traditional student programs, UNLV serves diverse local, national and international communities through its Educational Outreach Division, offering Summer Term, Continuing Education and Distance Education programs enrolling more than 53,000 students annually.

UNIVERSITY QUICK FACTS

With its Performing Arts Center, the campus is the cultural hub of Southern Nevada. World-class orchestras and soloists, dance and theater arts combine to provide a broad selection of concerts and stage productions.

The Barrick Lecture Series and several campus organizations bring noted speakers to the University, and local and visiting artists show their works in the Donna Beam Fine Art Gallery. UNLV has excellent athletic facilities as well, many open for student and public use.

Opened in 1957 as the southern regional division of the University of Nevada with a total of 28 students, UNLV now is home to more than 30,000 students coming from every county in Nevada, all 50 U.S. states and 88 countries. Much of UNLV's tremendous expansion is the result of support from the Nevada Legislature and the state's taxpayers. Private donors have played an important role as well. These gifts support new facilities and programs and, most important, provide the scholarship incentives that bring Nevada's best and brightest student scholars to campus.

UNLV operates an on-campus Center for Business and Economic Research, Center for Economic Education, Harry Reid Center for Environmental Studies (in cooperation with the U.S. Environmental Protection Agency), Desert Biology Research Center, Center for Survey Research, Nuclear Waste Transportation Research Center and other research and public-service centers.

Offering more than 200 undergraduate programs and 145 graduate tracts, UNLV graduated a class of over 5,000 last year. The University operates on a semester system and is a member of the American Association of State Colleges and Universities, the Council of Graduate Schools, the American Council of Education and the Western College Association. All of the University's academic programs are fully accredited by the Northwest Association of Schools and Colleges, and many programs have received further accreditation from independent national accreditation bodies.

Desiree REED-FRANCOIS

Since arriving at UNLV as the Director of Athletics in 2017, Desiree Reed-Francois has transformed the Department of Athletics, spearheading an organizational culture change and emphasizing student-athlete welfare – changes that proved especially valuable during the unprecedented challenges of 2020-21.

Reed-Francois, the first Hispanic female and woman of color athletics director at the FBS level, was instrumental in installing a new student-athlete focused model with collectively established core values.

A former student-athlete at UCLA (club rowing), Reed-Francois is a strong advocate for student-athletes and understands the importance of leadership development and mentorship in ensuring their future success. Reed-Francois earned a bachelor's degree from UCLA and a juris doctorate from the University of Arizona College of Law. She is a member of the State Bar of California and taught law classes at the University of Tennessee and at Santa Clara University.

Unprecedented Student-Athlete Success
Innovative student-centered programs and a renewed focus on academic achievement led to a collective student-athlete grade point average of 3.0 or greater in each of the last eight semesters -- firsts in the history of UNLV Athletics. The department's fall cumulative GPA of 3.22 also set a record, as did its most-recent cumulative GPA (following Spring 2021) of 3.24. UNLV Athletics instituted new mental health and nutrition programs and added the department's first full-time psychologist and first full-time nutritionist. The Rebels Go Pro jobs initiative was introduced in 2017 and has increased student-athlete employability upon graduation to a high of 75%--up nearly 50%.

Hiring Coaches
Reed-Francois has hired new head coaches in the sports of men's and women's basketball, football, women's soccer, softball, track & field/cross country and volleyball. In December 2019, she selected Oregon offensive coordinator Marcus Arroyo to become the 12th head coach in UNLV football history, the first coordinator from a Power Five program to lead the Rebels. Reed-Francois also brought aboard former Rebel soccer standout Jenny Ruiz-Williams and four-time Women's Final Four participant Lindy La Rocque, a Las Vegas native who returned to the city to lead the women's basketball program and was named the league's Coach of the Year after her first season. In 2017, Reed-Francois hired Kristie Fox and Dawn Sullivan to lead the softball and volleyball programs, respectively, and both coaches also went on to earn Mountain West Coach of the Year honors. Her most-recent hire was two-time Olympian Dorian Scott, who recently came from Florida State to oversee the women's track & field/cross country programs. The UNLV head-coaching roster is the most diverse in the conference and amongst the most diverse in all of FBS.

Enhanced Facilities
In October 2019, UNLV opened the doors of the new, $35 million, state-of-the-art Fertitta Football Complex. Reed-Francois was also instrumental in successfully negotiating the Joint Use Agreement with the NFL's Oakland Raiders for UNLV's use of the new $2 billion Allegiant Stadium in time for the 2020 season. Over $70 million in facilities upgrades have been—or are being—implemented under her tenure with all UNLV sports programs receiving enhanced facilities.

Record Revenue Generation
UNLV Athletics has generated more than $60 million in philanthropic support during Reed-Francois' tenure, with record corporate philanthropy and the largest estate gift in its history at $8 million. Reed-Francois orchestrated the fundraising effort to complete the Fertitta Football Complex and has secured over $10 million in cash and commitments to renovate the Lied Athletic Complex. The Rebel Athletic Fund's Drive for 5 campaign, launched in spring 2018, has resulted in a 70% increase in the number of donors, boosting the annual fund total to its highest ever.

Campus, Corporate & Community Partnerships
In 2019, UNLV student-athletes returned to campus for the new semester able to take advantage of a full training-table option at the Fertitta Football Complex thanks to a unique partnership between the Athletics Department and the university's world-renowned William F. Harrah College of Hospitality. The Rebel Training Table inside the Gaughan Family Dining room was launched to serve all 17 UNLV varsity programs weekday mornings. Another innovative partnership came between UNLV and locally based global technology infrastructure corporation, Switch, with a multi-year technology initiative focused on sports-science, data analytics and student-athlete success. The collaboration, enabled by a substantial financial commitment from Switch, is motivated by a mutual aspiration to establish Las Vegas as the world's epicenter of sports. A recent strategic partnership under Reed-Francois saw UNLV joining forces with the Andre Agassi Foundation for Education, furthering the development of the Center for Student-Athlete Excellence.

Diversity and Inclusion
Under Reed-Francois' leadership, UNLV Athletics has demonstrated a commitment to diversity, reflective of UNLV's campus. In her first year, 70% of the department's new hires were people of color or women, while 63% were former student-athletes. On the fields, courts, tracks, pools and courses of competition, UNLV captured nine Mountain West team championships since 2017-2018 and has retained the Silver State Series trophy all but one year.

Engaging Fans and the Community
In 2019, UNLV earned honorable mention recognition for Marketing Team of the Year by NACMA. The fan experience has been a point of emphasis under Reed-Francois, with consistent surveying and year-over-year improvements, resulting in attendance increases. The Momentum Fund Campaign, established to mitigate the financial impacts of the COVID-19 pandemic, has generated over $1.5 million in support of UNLV's community of student-athletes. Further, recognizing the critical importance of being a part of the greater Southern Nevada community, Rebel student-athletes, coaches and staff provided over 4,380 service hours in 2019-20 alone.

Two Decades of Progressive Leadership Experience
Reed-Francois came to UNLV with more than two decades of experience in athletics administration, most recently serving at Virginia Tech as deputy athletics director. As second-in-command to the athletics director, she was responsible for external relations and day-to-day operations for 22 sports, more than 600 student-athletes, and 14 facilities. Prior to Virginia Tech, Reed-Francois spent two years at the University of Cincinnati as senior associate athletics director and senior woman administrator, also serving for a period in 2014 as interim athletics director. During her career in athletics administration, Reed-Francois has also worked at the University of Tennessee (where she was the first woman to oversee men's basketball in the SEC), California State University-Fresno, Santa Clara University, San Jose State University, the University of California Berkeley, and the University of San Francisco.

Before working in college athletics, Reed-Francois was a practicing lawyer and spent time as a legal associate for the Oakland Raiders and the NFL's Management Council.

She is heavily involved in athletics administration at the national level, participating in the Division I Athletics Directors Leadership Institute and Fellows Program, Lead1, the Women Leaders in College Sports' Executive Institute, as a member of the NCAA Baseball Selection Committee and College Football Playoff Committee's operations committee and as a board member of the National Coalition of Minority Football Coaches. Reed-Francois is a member of the National Association of Collegiate Marketing Administrators and National Association of College Directors of Athletics and has been a presenter at NACDA, NACMA, Women Leaders, Lead1, CoSIDA and Sports Business Journal's annual conventions. Reed-Francois is also a member of Young President's Organization (YPO), also serving on the executive board for the Las Vegas chapter as well.

Reed-Francois and her husband, Joshua, have a son, Jackson (17).

Las Vegas by the Numbers

With a population of 2 million and counting, Las Vegas/Clark County is one of the fastest growing areas in the United States and a perfect example of modern urban living. Located in the nation's seventh-largest state, the city of Las Vegas (Spanish for "the meadows") was discovered by Spanish explorers and first settled by a Mormon expedition in 1855. Today, the city is the unquestioned hub of the scenic Southwest. Outdoors, the world-famous Hoover Dam is visited by more than a million people each year while the Lake Mead National Recreation Area is annually host to 9 million visitors for fishing, boating, hiking, camping and water sports. Las Vegans can just as easily head to the surrounding mountains (Nevada means "snowcapped" in Spanish) as Mt. Charleston offers snow skiing from an elevation reaching 12,000 feet and Red Rock Canyon boasts outdoor activities amid breath-taking views. Indoors, of course, Las Vegas offers unmatched excitement but the renowned "Entertainment Capital of the World" has also quickly developed into a first-class community offering families a year-round high-quality standard of living.
